

The GBN Booster Club is the only group that fundraises for the benefit of the athletic programs, all GBN students and our Northbrook community. The GBN Booster Club is run by Parent Volunteers who work in conjunction with the Athletic Department at Glenbrook North High School to accomplish our goals. You will receive two membership passes that admit you and up to five family members to all home District 225 athletic contests, GBN decal and pocket calendar. GBN students purchase their own activity passes during the registration process.
